I'll plan to attend by phone. I'll see if Jesse Lueders can attend by phone, too.

Will either of you be attending the BCT either by phone or in person next week? ST12 reconnaissance data is the main topic of discussion in the morning

Hi Carolyn-

Do you have an update on phone and in person attendees for next week? Thanks.

Thanks. I'm still working on getting a head count on who will be present and who will be on the phone

Carolyn-

Date, time and a.m. discussion are correct. We had talked about ordering in lunch and reserving an hour after lunch for ST012 too. I asked Don about the conference room and will get back to you today.
Thanks.

Cathy

Given that ST-12 discussion has been elevated, we are expecting additional people to attend the BCT discussion. For purposes of arranging flights I wanted to confirm the date of Wednesday, August 24 8:30 to 4 pm, with the ST12 discussion planned for the morning. Does Amec have a large enough conference room to accommodate everyone, or should we move the meeting to ADEQ's office?
